Job Posting

Drop-In Coordinator

ABOUT WISH

For more than thirty years WISH has provided a safe place of respite for women involved in street-based sex work. The women who access WISH services and programs are some of the most marginalized in Vancouver; experiencing extreme poverty, homelessness, social exclusion, violence, racism, discrimination and the relentless effects of current and past trauma.

The mission of WISH is to improve the health, safety and well-being of women who are involved in Vancouver's street-based sex trade. Through a variety of responsive programs and services, women can meet basic needs (hot meals, showers, clothing, nursing care, and personal items), receive individualized wrap-around support and services, referrals and resource information, and find a non-judgmental community to participate in programs that engage their spirits, hearts and minds.

The Drop-in Centre is a self-identified women-only space
