ABOUT WISH

Based in Vancouver's Downtown Eastside, WISH is the largest sex worker support organization in Canada. For more than thirty-five years, WISH has offered a safe place of respite for women involved in street based sex work. The women who access WISH services and programs are made most vulnerable due to extreme poverty, homelessness, social exclusion, violence, racism, discrimination, and the relentless effects of current and past trauma. WISH Drop-in Centre Society is an organization and space for women (cis and trans) and people of marginalized genders, including Two-Spirit, trans, and non-binary. For more information about WISH and our programs and services, visit our website: <https://wish-vancouver.net/>
